

2020 Registration

Welcome to Avalon Soccer Club. Before you begin to registrar please check the table below to see what paperwork you need to supply. Missing information will delay your registration process and may prevent you from playing at the beginning of the season.

Registration Information Day

Will be held at our club house at Careel Bay on Saturday 6th February 9:00am – 3:00pm.

If you have any questions about playing with Avalon (or would just like to meet us) then come along. The uniform store will be open on this day for any of your kit needs.

New Registration Setup

This season to process the large volume of registrations there are 3 registrars.

Jactina Newcombe	Juniors U6-U11	registrar@avalonsoccerclub.com.au
Jill Thain	Mixed U12-O55	registrar1avalonsoccerclub@gmail.com
Amie Stylianou	Womens W12-WO35	registrar2avalonsoccerclub@gmail.com

When asked to email information to the registrar please choose the relevant registrar for your age category. This will prevent delays in processing your registration.

Early Bird Pricing

Early bird pricing discount \$25, dates are the 4th January 2021 to 7th February 2021. This will be applied at the time of registering.

Photo

Every player over the age of 10 needs a photo uploaded with their registration, this must be passport style, head and shoulders only. Forward facing with no hats or glasses. It should be a neutral background (avoid bright backgrounds as it makes faces appear dark). A good quality photo taken with a smartphone is acceptable.

These photos are used to ID players before a match so the players face must be clear and the photo must be recent so the player is recognisable. **If the photo is not acceptable the registration will not be approved.**

Photo image guideline

- Photo is a passport style image
- Head faces camera directly with a full face in view
- No hats or sunglasses are to be worn in the photo
- Photo was taken in the last 12 months
- Photo is clear and legible with appropriate lighting
- Under MB in size
- File type of .PNG or .JPG

Proof of Age

Proof of age can be either a birth certificate, a passport or a driving licence. U6 to U10 all need to supply proof of age, U11+ will need to supply if they are new to the club or have not supplied the information previously. If in doubt, please supply by emailing the registrar.

Team Forming Sheet

Only one person from each team needs to complete this form. This is usually the manager or coach of the team. Bring this sheet with you to the team forming day.

MWFA form

If you did not play for Avalon Soccer Club last year please complete this form (link below) and email back to the registrar.

ICT form (International Certificate of Transfer)

If you have moved to Australia from another country and this is the first time you have played soccer in Australia, you may need to complete an ICT form. Please contact the registrar to determine if you need to complete this process.

MWFA Playing Above Age Consent form

If you wish to play in a team that is two age groups above your age, you will need to complete a 2+ year form.

Active Kids Voucher

The Active Kids Rebate program provides a \$100 voucher towards the cost of registration for U6 to U18 players. Players must obtain their voucher BEFORE registering. For more information about the Active Kids Rebate [click here](#). To apply for your voucher from Service NSW [click here](#). Vouchers are per child, not per family.

New Players

Welcome to all new players, especially if you are playing football for the first time. You will need to create an account and then register to play. We always try and place all our U6 and U7 players in the same team as their friends. If you have any questions, please contact your [age coordinator](#).

Returning Players

All returning players MUST register with their FFA number from last year, not create a new number. The system will default to the club you last played at. If you played for a different club last season or played in a summer competition then remember to change the club to Avalon when registering.

If you have changed your email or forgotten which email you used to register last year then phone or email the Play Football helpdesk to assist you.

Registrations are based on the age that you will be on the 31st December 2021. For example, if you turn 7 anytime in 2021 you will then select U7 Mixed Saturday. To play in the U6s a child must be turning 5 or 6 anytime in 2021 and be born in either 2015 or 2016. This is an FFA rule.

Make sure you select the correct product when registering. Boys can only play in Saturday mixed competitions. Girls should register in a Sunday girls package if they want to play on Sunday.

Many teams fill up quickly and we will soon be closing off registration for some age groups. Any registrations after this time will be placed on a waitlist, pending sufficient players to create an additional team in that age group. Where possible, waitlisted players will be accommodated in an alternative age group (with returning players given priority). For any queries please get in touch with the relevant [age coordinator](#).

Family Discounts

Parents registering their children under the same login can obtain a family discount for the 2nd plus family member. No discount applies for the first family member, then each of the other family members select from the following:

2nd family member \$10 select 1st sibling

To be a coach or manager of a team with any players under the age of 18 you will need to have a valid working with children check before you can be issued your ID card. There must be a valid coach and manager for every team before they are permitted to play. You can apply for a working with children check here: <https://www.service.nsw.gov.au/transaction/apply-working-children-check>

If you already have a WWC check please make sure that the 'valid to date' will not expire during this season – apply for an updated check if that is the case.
