Age Coordinators

W12-13	Anthony Ritchie	0413 756 186
W14-16	Vacant(Andy Watts)	0423 273 720

Frequently Asked Questions

Q. Now we have registered to play, what happens?

A. All players aged in age groups U10/W10 to U16/W16 are required to grade in 2022. Grading this season will be run by fully professional external coaches who will provide a grading report on each player. Once those reports are received, the VPs and Age Coordinators will collate the grading and 2021 coaches reports to decide on final team make-up. The grading schedule is as follows:

Womens 12	Sunday 20th February at 8:45am – 10.15am	Careel Bay 1
Womens 13	Sunday 13 th February at 1.15pm – 2:45pm	Careel Bay 1
Womens 14	Sunday 13 th February at 11:45am – 1.15pm	Careel Bay 1
Womens 15	Sunday 13 th February at 10.15am – 11:45am	Careel Bay 1
Womens 16	Sunday 13 th February at 8:45am – 10.15am	Careel Bay 1

Please arrive in good time, prepared with correct attire (including shin pads and boots), sunscreen and a water bottle. We have allocated at least 1 hour 30 mins for each session. Go to the clubhouse to place names and preferred positions on grading sheets and to collect a numbered bib. Wait until called by Graders. In the event of inclement weather, the club will look to reschedule but please assume grading is on unless you hear from us.

Teams who wish to stay together and play socially can do this, however they must still be graded to allow the club to place the teams in appropriate divisions. Please make the grading session. It is an important part of the team formation process. Any issues please contact your Age Coordinator in the first instance.

Q. Once we are graded what happens next?

A. The Grading committee use the grading scores and the 2021 coaches' reports to allocate players into teams. All team announcements will be made via age coordinators.

Q. What do we need to play?

A. Each player in the W12s and older needs an MWFA ID. WITHOUT THIS MWFA ID PENALTIES APPLY TO THE PLAYER AND THE TEAM. Any W11s happy to be borrowed as needed in the W12 competition will also need an ID.

Important Dates

External Club Challenge Day v Pittwater	Sunday 27 th March	Times & Venues TBA
Youth Women’s & Junior Women’s season kicks off (W8- W16)	Sunday April 3rd	Times & Venues TBA

Q. Where do we play?

A. All home games should be at Careel Bay. However, the shortage of fields as football numbers grow dictates this is not always possible. Some teams might find themselves away from Careel Bay for a designated home game field. Since the draw is prepared by the MWFA, the Club has no control over this area. Away games will be dependent upon which MWFA Clubs are within your division.

Q. When do we play?

A. W8-W16: You could kick off anytime between 8:30am and 11:30am.
W18 Division 1: Friday evenings, time TBA

PLEASE NOTE: All competition teams W12 and up may play catch up games or rescheduled games on the middle weekend of the July school holidays or midweek evenings. Division 1 W12/W14/W/16/W18 teams who choose to enter State Cup will also have their regular season games rescheduled to midweek evenings.

Q. Do we play in the rain?

A. YES! All games must be considered ON unless you are notified to the contrary. A team CANNOT decide to not show due to poor weather. Wet weather procedure is outlined fully on our website. When a game is called off, the Team Manager will be officially notified by the Competition Secretary and then the Manager will contact players. Rescheduled games for W12 and above will be notified by the Competition Secretary.

If your team forfeits within 24 hours of game time, the Club will be fined and this will be passed on to your team. In W12-W16 all forfeits are recorded as a 5-0 win to the opposition.

Q. What does the Avalon Soccer Club expect of us now we are an important part of the Club?

A. Consider others and not let your side down. Please let your Team Manager know as soon as possible if your player can’t make a training session or game. If you are intending to be away on holidays during the season please let your Team Manager know at the start of the season.

The coach and manager are volunteers and deserve your support and respect in their decisions.

IMPORTANT – VOLUNTEER SUPPORT & ROSTERS :- We will be asking your team to help us during the year so please spend an hour or two in our canteen, on the BBQ or doing some field set up or take down duty when the opportunity arises.
