

# **2025 AVALON SOCCER CLUB – PLAYER REGISTRATION**

**Hints and Tips** to read before starting your registration... **Please use Chrome as your browser.**

Play Football has a new system this year with lots of changes and they are still improving a few things.

Use this link:-

[https://registration.playfootball.com.au/signin?redirect\\_to=%2Fparticipant%2Ffind-products&orgID=74168](https://registration.playfootball.com.au/signin?redirect_to=%2Fparticipant%2Ffind-products&orgID=74168)

- If you are a **returning player/parent account holder from a previous year at the beginning of your first registration in 2025 it asks you to create a new Participant Record.** This process retrieves your account details from last year or your last season of registration. A new field Place of Birth must be filled in to proceed. More instructions in **step 3.**
- If you are a **NEW player/parent in 2025 season you need to create a new account select “Don’t have an account yet?”** as a player or parent and then also add in any kids under your parent account and **LINK** these accounts to your parent account.
- Once you have created your account details in the 2025 system please log out. This must be done so you can then log back in on the same link and select the packages you wish to register for.
- Age 10 and above you are required to upload a new photo this year so have it ready before you start. As the new system is not always saving the photo you have uploaded can you please email a copy of the photo to the relevant registrars with the **age group and the childs/players name:**

**Juniors U6 – U11, W7 – W11 [Registrar1@avalonsoccerclub.com.au](mailto:Registrar1@avalonsoccerclub.com.au)**

**Youth Boys Senior Men U12 – MAL, O35, O45 [Registrar2@avalonsoccerclub.com.au](mailto:Registrar2@avalonsoccerclub.com.au)**

**Youth Girls Senior Women W12– WAL+ [Registrar@avalonsoccerclub.com.au](mailto:Registrar@avalonsoccerclub.com.au)**

Please note – you can't use just any photo (see examples below):

- The player must be looking at the camera
- Player should be photographed alone
- Head and shoulders only
- No hats, glasses or other accessories (see below re. glasses)
- No shadows

## MWFA Photo ID Requirements

- For the Verify Identity you must select a document to use if Avalon requests this is after Photo upload. Document not required to be uploaded...just answer the question.
- Terms & Conditions - You will need to click on and open each set of terms and then tick the I agree box. Please Note: You don't need to opt in for emails, but Avalon Soccer Club emails contain important dates and information so if you want to stay updated tick the box for Avalon Soccer Club.
- There is a panel on the left of the registration page as you go through and answer the question each item turns green when completed.
- If you get to a point you can't proceed, check to see if one of them is not green. If so, click on that item and it will take you back for you to review and fix.

### Registration approval

Registration will not be approved until all paperwork has been received, your photo has been uploaded or emailed and any other required paperwork and payment has been received. No exceptions will be made. Once your registration has been approved by the club you will receive a confirmation email. However, approval by the MWFA is still required before you can play.

### Glasses

For players who need to wear glasses: Glasses must be approved by the MWFRA and must be worn in the photograph. Please send photos of the glasses plus a photo of the player wearing the glasses to [admin@mwfra.org.au](mailto:admin@mwfra.org.au) for approval.
